ABORTION, complicated by acute renal failure (O'Sullivan and Spitzer) 158
Adrenaline, action on excised human uterus (Gunn and Russell) ... 205
Anaemia, aplastic, in pregnancy (Bigby and Jones) 182
Analgesia, spinal, for forceps delivery (Anderson) 347
Antenatal paediatrics (Parsons) 1

BLOOD in pregnancy (Roscoe and Donaldson) 430, 527
Book reviews—
Bell: Pocket obstetrics 466
Bonney: Technical minutiae of extended myomectomy and ovarian cystectomy 466
Haultain and Kennedy: Practical handbook of midwifery and gynaecology 467
Sorsby: Opthalmia neonatorum 85

CALCIUM metabolism in pregnancy (Obermer) 269, 362
Carcinoma, primary, of the Fallopian tube (Bancroft-Livingston) ... 453
Current Literature, Index to 90, 187, 290, 381, 469, 563

DIABETES insipidus, associated with postpartum pituitary necrosis (Spain and Geoghegan) 223

ECLAMPSIA, sensitization of the vascular system in (Browne) 510
—— weather changes and (Sapeika) 461
Epilepsy and pregnancy, relation between (Burnett) 539
FALLOPIAN tube, primary carcinoma of (Bancroft-Livingston) 453
Foetus, moulding of the head (Baxter) 212
Forceps delivery, spinal analgesia for (Anderson) 347
—— obstetrical, controlled axis traction (Baxter) 42

GYNAECOLOGY and obstetrics, improved design for new textbook (Dougal) 70
—— —— practical handbook (Haultain and Kennedy). Book review 467
HAEMOGLOBIN level in pregnancy (Roscoe and Donaldson) 430
—— value in female workers (Davies, Gunson, Matheson and Pyke) 260
Haemorrhage, accidental, associated with pituitary and renal necrosis (Doniach and Walker) 140
Hospital reports:
Edinburgh, Simpson Memorial Maternity Pavilion, 1944 87
Sydney, Women's Hospital, 1943-44 88

INDUSTRY, haemoglobin values in female workers (Davies, Gunson, Matheson, and Pyke) 260
—— the mother in (Horner) 177

PAGE

Infant morbidity in relation to nutrition of expectant and nursing mothers (People's League of Health) 498
Infant mortality in relation to nutrition of expectant and nursing mothers (People's League of Health) 498
—— —— stillbirth and neonatal death (Evans and Smith) 440
Infection, control of, in obstetrics (Colebrook) 114
Intestinal obstruction associated with complete procidentia (Daley and Callum) 68

LABOUR, correlation of physical and emotional phenomena (Read) ... 55
—— difficult, use of radiology in predicting (Moir) 487
—— moulding of the foetal head (Baxter) 212
—— superiority of the South African negro or Bantu in I and II (Heyns) 405
—— III (Heyns and Shippel) 519
Lactation, nutrition in, in relation to maternal and infant morbidity and mortality (People's League of Health) 498
Lipiodol, intrauterine injection of, venous intravasation following (Bloomfield) 345
Literature, current, index to 90, 187, 290, 381, 469, 563

MATERNAL morbidity in relation to nutrition of expectant and nursing mothers (People's League of Health) 498
Maternal mortality in relation to nutrition of expectant and nursing mothers (People's League of Health) 498
Menstruation, normal and abnormal, in the A.T.S. (Drillien) 228
Moulding of the foetal head (Baxter) 212
Myasthenia gravis and pregnancy (Adam) 557
Myomectomy, technical minutiae of extended (Bonney). Book review 466

NUTRITION in pregnancy, survey (Young, King, Wood, and Wootton) 251
—— of expectant and nursing mothers in relation to maternal and infant mortality and morbidity (People's League of Health) 498

OBITUARIES: Sir Comyns Berkeley 106
—— T. Watts Eden 485
Obstetrics and gynaecology, improved design for a combined text-book (Dougal) 70
—— —— practical handbook of (Haultain and Kennedy). Book review 467
—— —— control of infection in (Colebrook) 114
—— —— pocket (Bell). Book review 466
Opthalmia neonatorum (Sorsby). Book review 85
Ovarian cystectomy, technical minutiae of (Bonney). Book review ... 466

PAIN, referred, gynaecological aspects of (Theobald) 309
Pelvimetry, radiological, value of antenatal (Williams and Phillips) 125
Pelvis, classification, with note on evolution of anthropoid of ultra-dolichopellic type (Heyns) 242
—— of South African negro or Bantu (Heyns) 405
—— (Heyns and Shippel) 519
Phosphorus metabolism in pregnancy (Obermer) 269, 362

SUBJECT INDEX

PAGE

Pituitary necrosis, posterior, associated with accidental haemorrhage (Doniach and Walker) 140
—— postpartum, associated with diabetes insipidus (Spain and Geoghegan) 223
Pregnancy, abdominal, full-time secondary (Eaters) 285
—— and epilepsy, relation between (Burnett) 539
—— and myasthenia gravis (Adam) 557
—— and pulmonary tuberculosis (Jacobs) 368
—— aplastic anaemia in (Bigby and Jones) 182
—— blood volume in (Roscoe and Donaldson) 527
—— calcium metabolism in (Obermer) 269, 362
—— cell volume in (Roscoe and Donaldson) 527
—— duration, in relation to nutrition during (People's League of Health) 498
—— haemoglobin level in (Roscoe and Donaldson) 430
—— haemoglobin mass in (Roscoe and Donaldson) 527
—— nutrition in, in relation to maternal and infant mortality and morbidity (People's League of Health) 498
—— nutritional survey in (Young, King, Wood, and Wootton) 251
—— phosphorus metabolism in (Obermer) 269, 362
—— residential rest during (Allen-Williams, and Sutherland) 278
—— serum protein balance in (Moller-Christensen and Thygesen) ... 328
Prematurity, critical review (Crosse) 72

QUININE, action on excised human uterus (Gunn and Russell) 205

RADIOLOGY, use in predicting difficult labour (Moir) 487
—— value in antenatal pelvimetry (Williams and Phillips) 125
Renal failure complicating abortion (O'Sullivan and Spitzer) 158
Renal necrosis associated with accidental haemorrhage (Doniach and Walker) 140
Rest, residential, during pregnancy (Allen-Williams and Sutherland) 278
Rh factor, intrauterine death due to (Resnick) 62

SEPSIS, in relation to nutrition of expectant and nursing mothers (People's League of Health) 498
Serum protein in normal and toxaemic pregnant women (Moller-Christensen and Thygesen) 328
Sterility in women (Lane-Roberts) 148
—— male (Walker) 154
Stillbirth and neonatal death (Evans and Smith) 440

TOXAEMIA in relation to nutrition during pregnancy (People's League of Health) 498
—— pre-eclamptic, sensitization of the vascular system in (Browne) 510
Toxaemias of pregnancy (Theobald) 17
—— of pregnancy, serum protein balance in (Moller-Christensen and Thygesen) 328
Tuberculosis, pulmonary and pregnancy (Jacobs) 368

UTERUS, excised, action of adrenaline and quinine on (Gunn and Russell) 205
—— inversion of, acute (Spain) 219

PAGE

—— —— chronic, home-made repositor for (Hezlett) 185
—— prolapse of, cause of (Burrows and Ewers) 377
—— —— complete, associated with intestinal obstruction (Daley and Callum) 68
VASCULAR system, sensitization of, in pre-eclamptic toxaemia and eclampsia (Browne) 510
Venous intravasation following intrauterine lipiodol injection (Bloomfield) 345

WEATHER changes and eclampsia (Sapeika) 461
